LIST OF COPYRIGHT RENEWALS

1914

NEW SERIES, VOLUME 9, NO. 1

WASHINGTON
GOVERNMENT PRINTING OFFICE
1914

The Act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles. The place of publication is only given when it is not the same as the address stated in the claim of copyright.

Under the Act of March 4, 1909, copyright initiates upon publication with notice. The preliminary entry of title ceases and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication; and "2 c.," for 2 copies, followed by date of their receipt.

A list of the copyright renewals and extensions made for periodicals under section 24 of the Act of March 4, 1909, will be found at the end of this issue, immediately following the text.

On pages v–vii will be found a list of the duplicate periodicals which, under the provisions of section 60 of the copyright Act of March 4, 1909, may now be returned to such copyright proprietors as shall desire to withdraw them.

Each number has an index to proprietors. The 4th number, completing the volume, has a full annual index to both titles and proprietors. The subscription price must be for the complete calendar year, and for Part 2 (Periodicals) is $0.50, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

NOTICE.

The Return to Copyright Claimants of Copyright Books, Maps, Charts, Dramatic or Musical Compositions, Engravings, Cuts, Prints, Chromos, and Photographs.

Sections 59 and 60 of the "Act to amend and consolidate the acts respecting copyright" provide as follows:

SEC. 59. That of the articles deposited in the copyright office under the provisions of the copyright laws of the United States or of this act, the Librarian of Congress shall determine what books and other articles shall be transferred to the permanent collections of the Library of Congress, including the law library, and what other books or articles shall be placed in the reserve collections of the Library of Congress for sale or exchange or be transferred to other governmental libraries in the District of Columbia for use therein.

SEC. 60. That of any articles undisposed of as above provided, together with all titles and correspondence relating thereto, the Librarian of Congress and the Register of Copyrights jointly shall, at suitable intervals, determine what of these received during any period of years it is desirable or useful to preserve in the permanent files of the copyright office, and, after due notice, as hereinafter provided, may within their discretion cause the remaining articles and other things to be destroyed: *Provided*, That there shall be printed in the Catalogue of Copyright Entries from February to November, inclusive, a statement of the years of receipt of such articles and a notice to permit any author, copyright proprietor, or other lawful claimant to claim and remove before the expiration of the month of December of that year anything found which relates to any of his productions deposited or registered for copyright within the period of years stated, not reserved or disposed of as provided for in this Act: *And provided further*, That no manuscript of an unpublished work shall be destroyed during its term of copyright without specific notice to the copyright proprietor of record, permitting him to claim and remove it.

In compliance with the above-cited provisions of law:

Notice is hereby given to the author, copyright proprietor, or other lawful claimant of any copyright book, map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph deposited for copyright registration in the office of the Librarian of Congress during the years 1900 to 1910, inclusive, that any such author, copyright proprietor, or other lawful claimant may send to the Register of Copyrights his full name, the full title of the copyright book, map, chart, dramatic or musical composition, engraving,

cut, print, chromo, or photograph, the year in which copyright registration was made, and, if possible, the number under which such copyright book, map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph was entered for copyright, with a request for its return. On receipt of such information and request, such copyright book, map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph will be returned to the author, copyright proprietor, or other lawful claimant, unless it has been otherwise disposed of according to law.

Application for the return of such copyright book, map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph should be made as early as posisble during the year 1913. If no such application has been received during said year, such copyright book, map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph may be disposed of in accordance with the provisions of section 60 of said Act.

LIST OF COPYRIGHT RENEWALS

1914

NEW SERIES, VOLUME 9, NO. 2

WASHINGTON
GOVERNMENT PRINTING OFFICE
1914

The Act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles. The place of publication is only given when it is not the same as the address stated in the claim of copyright.

Under the Act of March 4, 1909, copyright initiates upon publication with notice. The preliminary entry of title ceases and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication; and "2 c.," for 2 copies, followed by date of their receipt.

A list of the copyright renewals and extensions made for periodicals under section 24 of the Act of March 4, 1909, will be found at the end of this issue, immediately following the text.

On pages v–vii will be found a list of the duplicate periodicals which, under the provisions of section 60 of the copyright Act of March 4, 1909, may now be returned to such copyright proprietors as shall desire to withdraw them.

Each number has an index to proprietors. The 4th number, completing the volume, has a full annual index to both titles and proprietors. The subscription price must be for the complete calendar year, and for Part 2 (Periodicals) is $0.50, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

NOTICE.

The Return to Copyright Claimants of Copyright Books, Maps, Charts, Dramatic or Musical Compositions, Engravings, Cuts, Prints, Chromos, and Photographs.

Sections 59 and 60 of the "Act to amend and consolidate the acts respecting copyright" provide as follows:

SEC. 59. That of the articles deposited in the copyright office under the provisions of the copyright laws of the United States or of this act, the Librarian of Congress shall determine what books and other articles shall be transferred to the permanent collections of the Library of Congress, including the law library, and what other books or articles shall be placed in the reserve collections of the Library of Congress for sale or exchange or be transferred to other governmental libraries in the District of Columbia for use therein.

SEC. 60. That of any articles undisposed of as above provided, together with all titles and correspondence relating thereto, the Librarian of Congress and the Register of Copyrights jointly shall, at suitable intervals, determine what of these received during any period of years it is desirable or useful to preserve in the permanent files of the copyright office, and, after due notice, as hereinafter provided, may within their discretion cause the remaining articles and other things to be destroyed: *Provided*, That there shall be printed in the Catalogue of Copyright Entries from February to November, inclusive, a statement of the years of receipt of such articles and a notice to permit any author, copyright proprietor, or other lawful claimant to claim and remove before the expiration of the month of December of that year anything found which relates to any of his productions deposited or registered for copyright within the period of years stated, not reserved or disposed of as provided for in this act: *And provided further*, That no manuscript of an unpublished work shall be destroyed during its term of copyright without specific notice to the copyright proprietor of record, permitting him to claim and remove it.

In compliance with the above-cited provisions of law,

Notice is hereby given to the author, copyright proprietor, or other lawful claimant of any copyright book, map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph deposited for copyright registration in the Office of the Librarian of Congress during the years 1900 to 1910, inclusive, that any such author, copyright proprietor, or other lawful claimant may send to the Register of Copyrights his full name, the full title of the copyright book, map, chart, dramatic or musical composition, engraving,

cut, print, chromo, or photograph, the year in which copyright registration was made, and, if possible, the number under which such copyright book, map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph was entered for copyright, with a request for its return. On receipt of such information and request, such copyright book, map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph will be returned to the author, copyright proprietor, or other lawful claimant, unless it has been otherwise disposed of according to law.

LIST OF COPYRIGHT RENEWALS

1914

NEW SERIES, VOLUME 9, NO. 3

WASHINGTON
GOVERNMENT PRINTING OFFICE
1914

The Act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles. The place of publication is only given when it is not the same as the address stated in the claim of copyright.

Under the Act of March 4, 1909, copyright initiates upon publication with notice. The preliminary entry of title ceases and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication; and "2 c.," for 2 copies, followed by date of their receipt.

A list of the copyright renewals and extensions made for periodicals under section 24 of the Act of March 4, 1909, will be found at the end of this issue, immediately following the text.

On pages v–vii will be found a list of the duplicate periodicals which, under the provisions of section 60 of the Copyright Act of March 4, 1909, may now be returned to such copyright proprietors as shall desire to withdraw them.

Each number has an index to proprietors. The 4th number, completing the volume, has a full annual index to both titles and proprietors. The subscription price must be for the complete calendar year, and for Part 2 (Periodicals) is $0.50, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

NOTICE.

The Return to Copyright Claimants of Copyright Books, Maps, Charts, Dramatic or Musical Compositions, Engravings, Cuts, Prints, Chromos, and Photographs.

Sections 59 and 60 of the "Act to amend and consolidate the acts respecting copyright" provide as follows:

SEC. 59. That of the articles deposited in the copyright office under the provisions of the copyright laws of the United States or of this act, the Librarian of Congress shall determine what books and other articles shall be transferred to the permanent collections of the Library of Congress, including the law library, and what other books or articles shall be placed in the reserve collections of the Library of Congress for sale or exchange or be transferred to other governmental libraries in the District of Columbia for use therein.

SEC. 60. That of any articles undisposed of as above provided, together with all titles and correspondence relating thereto, the Librarian of Congress and the Register of Copyrights jointly shall, at suitable intervals, determine what of these received during any period of years it is desirable or useful to preserve in the permanent files of the copyright office, and, after due notice, as hereinafter provided, may within their discretion cause the remaining articles and other things to be destroyed: *Provided*, That there shall be printed in the Catalogue of Copyright Entries from February to November, inclusive, a statement of the years of receipt of such articles and a notice to permit any author, copyright proprietor, or other lawful claimant to claim and remove before the expiration of the month of December of that year anything found which relates to any of his productions deposited or registered for copyright within the period of years stated, not reserved or disposed of as provided for in this act: *And provided further*, That no manuscript of an unpublished work shall be destroyed during its term of copyright without specific notice to the copyright proprietor of record, permitting him to claim and remove it.

In compliance with the above-cited provisions of law,

Notice is hereby given to the author, copyright proprietor, or other lawful claimant of any copyright book, map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph deposited for copyright registration in the Office of the Librarian of Congress during the years 1900 to 1910, inclusive, that any such author, copyright proprietor, or other lawful claimant may send to the Register of Copyrights his full name, the full title of the copyright book, map, chart, dramatic or musical composition, engraving,

cut, print, chromo, or photograph, the year in which copyright registration was made, and, if possible, the number under which such copyright book, map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph was entered for copyright, with a request for its return. On receipt of such information and request, such copyright book, map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph will be returned to the author, copyright proprietor, or other lawful claimant, unless it has been otherwise disposed of according to law.

Application for the return of such copyright book, map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph should be made as early as possible during the year 1914. If no such application has been received during said year, such copyright book, map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph may be disposed of in accordance with the provisions of section 60 of said act.

NEW SERIES, VOLUME 9, NO. 4

This number contains the Volume Index

WASHINGTON
GOVERNMENT PRINTING OFFICE
1915

The Act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles. The place of publication is only given when it is not the same as the address stated in the claim of copyright.

Under the act of March 4, 1909, copyright initiates upon publication with notice. The preliminary entry of title ceases and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviation used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication; and "2 c.," for 2 copies, followed by date of their receipt.

A list of the copyright renewals and extensions made for periodicals under section 24 of the act of March 4, 1909, will be found at the end of this issue, immediately following the text.

On pages v-vii will be found a list of the duplicate periodicals which, under the provisions of section 60 of the copyright act of March 4, 1909, may now be returned to such copyright proprietors as shall desire to withdraw them.

This number, completing the volume, has a full annual index to both titles and proprietors. The subscription price must be for the complete calendar year, and for Part 2 (Periodicals) is $0.50, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

The copyright convention signed at the FOURTH INTERNATIONAL AMERICAN CONFERENCE at Buenos Aires, August 11, 1910, was proclaimed by the President of the United States on July 13, 1914, and is in effect as between the United States and the Dominican Republic, Guatemala, Honduras, Panama, Nicaragua, and Ecuador.

NOTICE.

The Return to Copyright Claimants of Copyright Books, Maps, Charts, Dramatic or Musical Compositions, Engravings, Cuts, Prints, Chromos, and Photographs.

Sections 59 and 60 of the "Act to amend and consolidate the acts respecting copyright" provide as follows:

SEC. 59. That of the articles deposited in the copyright office under the provisions of the copyright laws of the United States or of this Act, the Librarian of Congress shall determine what books and other articles shall be transferred to the permanent collections of the Library of Congress, including the law library, and what other books or articles shall be placed in the reserve collections of the Library of Congress for sale or exchange or be transferred to other governmental libraries in the District of Columbia for use therein.

SEC. 60. That of any articles undisposed of as above provided, together with all titles and correspondence relating thereto, the Librarian of Congress and the Register of Copyrights jointly shall, at suitable intervals, determine what of these received during any period of years it is desirable or useful to preserve in the permanent files of the copyright office, and, after due notice, as hereinafter provided, may within their discretion cause the remaining articles and other things to be destroyed: *Provided*, That there shall be printed in the Catalogue of Copyright Entries from February to November, inclusive, a statement of the years of receipt of such articles and a notice to permit any author, copyright proprietor, or other lawful claimant to claim and remove before the expiration of the month of December of that year anything found which relates to any of his productions deposited or registered for copyright within the period of years stated, not reserved or disposed of as provided for in this Act: *And provided further*, That no manuscript of an unpublished work shall be destroyed during its term of copyright without specific notice to the copyright proprietor of record, permitting him to claim and remove it.

In compliance with the above-cited provisions of law,

Notice is hereby given to the author, copyright proprietor, or other lawful claimant of any copyright book, map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph deposited for copyright registration in the Office of the Librarian of Congress during the years 1900 to 1910, inclusive, that any such author, copyright proprietor, or other lawful claimant may send to the Register of Copyrights his full name, the full title of the copyright book, map, chart, dramatic or musical composition, engraving,

cut, print, chromo, or photograph, the year in which copyright registration was made, and, if possible, the number under which such copyright book, map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph was entered for copyright, with a request for its return. On receipt of such information and request, such copyright book, map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph will be returned to the author, copyright proprietor, or other lawful claimant, unless it has been otherwise disposed of according to law.

Application for the return of such copyright book, map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph should be made as early as possible during the year 1915. If no such application has been received during said year, such copyright book, map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph may be disposed of in accordance with the provisions of section 60 of said act.
